

Journal Name: The Innovative Journal of Medical Imaging

Manuscript Title: _____

We, the undersigned authors, hereby certify and agree to the following statements regarding the manuscript submitted to The Innovative Journal of Medical Imaging.

1. Originality of the Work: We confirm that the submitted manuscript is our original work and has not been previously published, either in whole or in part, in any journal, book, conference proceeding, or other publication. We further confirm that the manuscript is not currently under review or consideration for publication elsewhere.

2. Authorship Responsibility: We certify that all individuals listed as authors have made substantial academic contributions to the work and meet the accepted criteria for authorship. No person who has made a qualifying contribution has been omitted, and no individual has been included as an author without a legitimate contribution.

3. Contribution of Authors: We declare that each author has participated significantly in the study, including one or more of the following activities:

- Development of the research concept, study design, data collection, analysis, or interpretation;
- Preparation, drafting, or critical revision of the manuscript;
- Review and approval of the final version of the manuscript for publication.

All authors accept public responsibility for the content of the submitted work.

4. Conflict of Interest Declaration: We declare that any financial, professional, institutional, or personal relationships that could influence or be perceived to influence the research have been fully disclosed to the Editorial Office. We agree to promptly notify the journal if any potential conflict of interest arises during the review or publication process.

5. Ethical and Publication Compliance: We confirm that the manuscript complies with all applicable ethical standards, research regulations, and publication policies of the journal. Where required, ethical approval and informed consent have been obtained and reported appropriately.

6. Agreement on Author Sequence: We confirm that all authors have reviewed and approved the order in which their names appear on the manuscript and agree that the sequence listed below accurately reflects their contributions.
